

immense as you can directly help all the children and be our heroes!

This Terms Theme Is – Colours

This is always a popular theme with the children

and we thought it would be a great introduction for our new starters to see into our world of colour.

We will have a different colour to learn about each week. This first week will be red. We will also incorporate this into Show and Tell too. Every Friday your little one could bring in a toy if they would like to that matches the colour we are doing that week. We look forward to seeing your red items this week!

Fare Share Scheme

The Fare Share scheme is continuing to run

every Monday. Thank you to everyone for supporting it. All the money raised goes directly into our award-winning garden. Our garden was judged the beginning of July. So, we should get our results at the award ceremony soon. Fingers Crossed!

Time to be on Time

We are starting a new term and while we understand that it is difficult getting back into a routine or even establishing a

new one! We still need punctuality in picking up and dropping off

your little ones. Thank You!

If you feel that your child needs more time to settle in and you would like to ease them gently. Please talk to their keyworker and we can work with you. We are all here to help.

Sports Lessons to Continue

As some of you may already know Jack Moore who was employed by Stoberry Park School for sports education has now left the school. Therefore his lessons with the playgroup have finished too. However the school has been recruiting his replacement. We have approached the school to let them know that we would still like our lessons to carry on with the new replacement. There maybe a short gap while this new set up becomes established but we are hoping to continue these valuable sports lessons as soon as possible.

New Ways of Funding

The playgroup always needs to raise new funds and the committee have been looking at some new alternatives. We have applied for Tesco funding, match funding the monies we raise and using Amazon purchasing. We are also in the process of applying to Soup the new initiative set up in Wells by local businesses to help support local Charities. We will keep you all up to date with our progress and hopefully we should start to see some larger donations coming into the playgroup soon. We will need your help though!

Our seasons have changed into?

When it snows we can make these with our hands and spades. There was even a famous one that 'walked in the air!'
