WELCOME BACK...

TERM DATES: 3RD SET – 26TH OCT 2018

Welcome, to our new starters and welcome back to our little ones! A brand new, squeaky clean, academic year lies ahead of us. Lots of fun things have already been planned for this 8-week term!

We are really looking forward to hearing all about your holiday adventures during circle time.

Hot Meals

Hot lunches will again be held on Mondays and Thursdays this

term. However next term we are looking into increasing the days as it has been so popular. It's a great introduction into school life for the preschoolers and it gives the children a chance to socialize and experience different healthy food.

New Electronic Journal

The new installation of the Tapestry software has been wonderful for staff, children, and

parents/carers. The transition has been seamless. Each child's progress will be updated as regularly as possible. This may also depend on how often your child is in playgroup. If they are only in 1 or 2 mornings a week then there may only be one update a week, respectively. We hope that you will all find it easy to use to see what your little ones are up to. If you do have any issues, the staff will be happy to help you.

Sponsored Obstacle Course

This year's Sponsored Obstacle Course will be on Wednesday 17th October. We are looking forward to having lots of fun and raising some vital funds for playgroup. There will be a committee cake stall selling refreshments. So please come along and support us. Everyone is welcome!

Helping Hands

The AGM for Stepping Stones will be held on Wednesday 3rd October at playgroup at 7:30pm. We warmly welcome everyone who would like to come along and gain more information about how the playgroup is run. It is a very valuable and rewarding experience for everyone to be part of this. At the meeting there will also be an opportunity to become a Committee Member. We always need happy helpers to keep our charity led playgroup going. Without you the playgroup couldn't function. The meetings are only once a term and the fundraising element is also once a term. But the difference we can make as a committee is vast and paramount. There will also be an opportunity to become an Officer as our Chair and Treasurer step down from their roles. Their children have now started school. Full support will be given to you. The incentives are
